Urban Camper

Urban Camper is a unique hostel located on Lygten in Nordvest, Copenhagen. The hostel offers an alternative accommodation experience with a focus on social interaction and a relaxed atmosphere. It is designed with an “indoor camping” concept, where guests sleep in small tents inside a large, open hall. Additionally, there is a cozy bar and lounge area that serves as a meeting point for both travelers and locals who want an informal and social experience.

Urban Camper is known for its welcoming and inclusive atmosphere, making it a popular choice for young travelers wanting to experience authentic Copenhagen. In the summer, Urban Camper opened an outdoor rooftop terrace, which has quickly become very popular.

Address: Lygten 2C, 2400 Copenhagen NV

FIRE TYVE

FIRE TYVE started in Demokrati Garage and is known for its sustainable approach to cooking and community. The restaurant serves creative and modern dishes with a focus on local and seasonal ingredients. FIRE TYVE has recently expanded with a new event space on Hejrevej in the Fuglekvarteret neighborhood of Nordvest, providing the opportunity to bring their food philosophy to a new audience.

In addition to offering an exciting dining experience, FIRE TYVE is also engaged in social and cultural projects in the local community, serving as a platform for debate and community building. In front of the new event space on Hejrevej, there is an outdoor area that was originally a parking lot, but now the restaurant can use it for outdoor seating, events, concerts, etc.

Alice

Alice is an intimate music venue located in Nørrebro, known for presenting a wide range of experimental music and live acts from around the world. The venue focuses on creating a platform for underrepresented music genres and artists, making it a cultural hub for both local and international music lovers.

Alice is dedicated to creating an atmosphere where music and artistic experiences can unfold in new ways, making it a popular choice for those seeking alternative music experiences. The venue is located in a courtyard environment, with access to a large paved courtyard that can be used for outdoor concerts and other related events.

Flying Couch Brewery

Flying Couch, located on Bygmestervej in Nordvest, is an innovative and dynamic microbrewery. The brewery produces a wide range of beer types, from classic styles to more experimental brews, with a strong emphasis on quality and creativity.

The brewery has close collaborations with local bars and restaurants and is an important part of the Copenhagen beer scene. Flying Couch is known for its experimental approach to brewing and its strong ties to the local community. In spring 2024, the brewery opened its own bar next to the production facilities, and they also offer outdoor seating and events in the courtyard in front of the brewery.

Flok Kantine

Flok Kantine is a cozy and informal café located in the library on Rentemestervej in Nordvest. The café serves as a gathering place for local residents, where they can enjoy a cup of coffee, light meals, and a good social environment. Flok Kantine emphasizes creating an inclusive atmosphere and offers space for events and cultural activities.

With its location in the library, the café also functions as a natural meeting point for students, families, and culture enthusiasts looking for a relaxed and creative space in the local area. In front of the library and Flok Kantine is a large square that has yet to reach its full potential. Flok Kantine has the opportunity to organize various activities on this square.
